

### " Minutes Of The Study Design Workshop"

Meeting on Saturday, 22/07/2023 at 9:00 to 12:00 with the presence of the workshop instructor: Ms. Sharafuddin (M.Sc. of Epidemiology), Dr. Jirofti (Internal Director of the Bone and Joint Research Laboratory) and the researchers of the Bone and Joint Research Laboratory (Dr. Shahabipour, Jahani, Gharib, Mohaddesi, Salari, Swayzi, and Kalali) was held in the webinar hall of the library building located in Qaem Hospital in order to familiarize with the basic principles of systematic review and various study designs. In this meeting, Ms. Sharafuddin presented an introduction of various study designs and statistical indicators, then presented in detail how to conduct a systematic review. The session continued with questions and answers and consensus among researchers. At the end of the meeting, it was decided to form a telegram group and all the researchers will present the work process and deadlines related to their systematic review article and proposal in the group and all the steps will be done under the supervision of Ms. Sharafuddin and Dr. Jirofti; In addition, all researchers are required to present a report of their work process in the group at the end of each day.
